

What can you do with Crises Control?

Crises Control will allow you to effectively communicate with all personnel to ensure people's safety, coordinate their activities and speed up your recovery.

It will help you to keep lines of communication open and prepare for any disruption.

The only thing harder than
planning for an emergency,
is explaining why you didn't
when That Day comes.

Mass Communicate reliably,
securely and privately

Setup users as members of groups,
departments and locations

Responder

Deliver your message across
multiple channels

SMS

VOICE (LANDLINE, MOBILE)

EMAIL

MOBILE DEVICE APP

DESKTOP

PORTAL

Centrally manage and store files
in a secure and ready to distribute format

Store, manage and review digital assets

Locate people at risk and aid responders in assisting
